Collins Aerospace

F-16 ADG

Over **117,000 unique parts on hand**, Unical Defense provides OEM spares and related services for a wide array of both fixed-wing and rotary-wing legacy aircraft.

Unical Defense provides military aviation products and support solutions to original equipment manufacturers (OEMs), domestic and foreign governments, and maintenance, repair and overhaul (MRO) stations globally. With our unwavering focus on the military support needs of our customers worldwide, we specialize in both fixed-wing and rotary-wing legacy aircraft and in developing creative solutions through full service support programs including obsolescence management.

Military Aircraft Support:

F-16, P-3, F-5/T-38, C-130, T-34, AV-8B, E-2, IDF, UH-60/S-70, CH-47, AH-64, AH-1W, TH-67
